Why did my parents send me to the schools,  
That I with knowledge might enrich my mind?  
Since the desire to know first made men fools,  
And did corrupt the root of all mankind.

## THE SETTING SUN

by Sir Walter Scott

Those evening clouds, that setting ray,  
And beauteous tints, serve to display  
Their great Creator's praise;  
Then let the short-lived thing called man,  
Whose life's comprised within a span,  
To Him his homage raise.
